KITCHEN & BEDROOM SPECIALISTS

Timeless design and
flawless comfort.

Bellsyd.

At Bellsyd, we believe a home should be more than a place to live, it should be a reflection of who you are.

Our kitchens and bedrooms are crafted with the finest materials, exceptional finishes, and meticulous attention to detail, bringing together elegance, comfort, and functionality in every design.

We don't simply supply kitchens and bedrooms; we create inspiring living experiences. Every space we design is shaped around the way you live, combining beautiful aesthetics with thoughtful practicality. From premium surfaces and bespoke cabinetry to innovative layouts and seamless storage solutions, we transform ordinary rooms into extraordinary environments.

At Bellsyd, our passion lies in helping you realise a home that feels personal, stylish, and perfectly considered. Whether you're dreaming of a modern statement kitchen or a calm, luxurious bedroom retreat, we work with you to craft spaces that elevate everyday living and bring your vision to life.

Designed for living beautifully.

Belsay Woodgrain

KITCHENS

Belsay Woodgrain.

Belsay Woodgrain offers a fresh interpretation of the classic Shaker style, bringing together simplicity, character, and great value. Its refined frame, detailed joint lines, and gently bevelled centre panel give the design a distinctive identity, subtle touches that elevate its overall look while keeping it beautifully understated.

This collection blends traditional charm with a modern edge, making it effortlessly adaptable to homes of any style. With a palette that spans soft, calming neutrals through to bold graphite, deep blue, and a contemporary green, Belsay Woodgrain provides the perfect foundation for expressing your creativity.

Whether you prefer statement splashbacks, textured tiles, or standout flooring, this versatile design works harmoniously with a wide range of interior finishes, allowing you to shape a space that feels uniquely yours.

Remo

KITCHENS

Remo.

Inspired by clean European styling, Remo delivers a beautifully modern aesthetic with a smooth, painted finish that feels effortlessly refined.

It's signature integrated J-pull handle creates a seamless flow throughout the design, offering both visual purity and everyday practicality. The result is a kitchen that feels calm, contemporary, and wonderfully easy to live with.

You can keep the look understated and minimal, or use it as a backdrop for bolder design choices that reflect your personality.

Milbourne

KITCHENS

Milbourne.

Milbourne remains a firm favourite for those who appreciate classic character blended with modern living. Its solid, sculpted frame and gently textured surface add warmth and authenticity, giving the space a comforting, lived-in elegance.

This is a kitchen that adapts effortlessly to your style, whether you prefer a clean, contemporary scheme or a more traditional, decorative look. With the right accents and accessories, Milbourne can be tailored to feel truly personal.

Unity

KITCHENS

Unity.

Unity is crafted entirely around your space, offering true made-to-measure design that delivers a fully bespoke kitchen without the premium price tag. Every door is produced to the exact dimensions you need, ensuring a flawless fit and a kitchen that feels tailored, considered and completely unique to your home.

This collection gives you the freedom to define your own style through an impressive palette of finishes and textures.

With more than 50 contemporary options available, from radiant high gloss and silky supermatt to metallic sheens, concrete effects and expressive woodgrains, Unity lets you design with absolute confidence.

Belsay Beaded

BEDROOMS

Belsay Beaded.

Belsay Beaded introduces a timeless, traditional charm to the Belsay door collection. Its delicate beaded detail around the central panel adds character and warmth, creating a classic, inviting space where style meets comfort.

The design's understated elegance makes it perfect for crafting kitchens and bedrooms that feel both cosy and refined.

Available in three carefully selected standard shades, Belsay Beaded can also be customised across our full Painted Palette, allowing you to tailor the look to suit your personal taste and interior style.

Sculpt

BEDROOMS

Sculpt.

Sculpt draws inspiration from sleek Italian design, offering a matt painted slab door with a cleverly integrated handle that is subtly carved into the edge for a clean, striking look.

Its minimalist yet architectural form creates a bold statement, adding structure and sophistication to any interior.

Versatile by design, Sculpt complements a wide range of styles, from contemporary to more classic spaces. Available in five carefully curated standard shades, it can also be personalised across our full Painted Palette, giving you the freedom to craft a look that is entirely your own.

Porter

BEDROOMS

Porter.

Porter delivers a clean, linear design, featuring a matt painted slab door that embodies sleek, contemporary style.

Its minimalist aesthetic provides the perfect foundation for a modern kitchen or bedroom, allowing colour, texture, and accessories to shine and personalise the space.

The range is thoughtfully versatile, available in five subtle neutrals and two striking statement shades as standard, with the option to explore our complete Painted Palette for a fully bespoke look.

For a seamless, integrated finish, Porter can also be paired with the Outline handle, enhancing its effortless, modern appeal.

Hunton

BEDROOMS

Hunton.

Hunton offers a contemporary take on the classic Shaker style, combining a narrow frame with a smooth, painted finish for a look that is both elegant and versatile. Its clean lines make it ideal for modern interiors while still retaining a touch of timeless charm.

Available in four understated neutrals and two bold statement shades as standard, Hunton can also be personalised using our full Painted Palette.

For a sleek, seamless finish, the range is compatible with the outline integrated handle, creating a stylish, cohesive look throughout your space.
